

Duty of Candour and Being Open in Health and Social Care

Purpose:

To provide participants with the opportunity to supplement their knowledge and understanding of the Duty of Candour and to reinforce their responsibility to be open and honest, with the public and those close to them, to the organisation, colleagues, their profession and regulator, at all times.

Learning Outcomes

- Explain the Duty of Candour (DoC) & being open.
- Recognise what is a “Notifiable safety incident”
- Identify the various levels of harm and associated actions therein
- Describe good practice when carrying out the Duty of Candour
- Consider how to prepare and conduct a “disclosure/ being open” meeting
- Complete the Duty of Candour & being open quiz

Audience: Professionally Registered Healthcare Staff
