

# Redeployment Experiences – voices to lead ...

**Leading  
with Care**

**Working  
together**

**Compassionate  
Workforce**

**Resilience**

“I hope I encouraged some new staff nurses to be the best they can be”

“It was indeed my privilege to support and provide the psychological safety to support families”

“Despite challenges, I was met with kindness, warmth and support”

“My life skills, experiences and empathy enhanced my role as a nurse and helped me cope”
