

An update on proposed developments to support AHPs involved in medicines management.

## Continuous Professional Development Update for AHPs involved in medicines administration including AHP Non-Medical Prescribers (NMPs)

**Wednesday, 24 November 2021**  
**1.00pm**

Eamon Farrell, Lead AHP Consultant, PHA and Fiona McCallion, Assistant Head CEC have been working collaboratively with DOH and NICPLD and Regional AHP Medicines Group to develop an education plan to support AHPs in this role. On 24<sup>th</sup> November they will give a brief overview and update of proposed plans to a targeted audience. Please contact your professional manager for more information.
