

New Advance Care Planning (ACP) Level 2 Programme for Northern Ireland

Clinical Education
Centre

Business Services Organisation

The HSC Clinical Education Centre presents the updated ACP (Level 2) Programme

- Empower yourself to have meaningful, compassionate ACP conversations.
- You will be guided to support individuals to make informed decisions about their care choices and record their wishes within the ACP.
- Prepare yourself to manage the demands of winter, in line with the Department of Health's Winter Preparedness Plan.
