

# Perinatal Mental Health Webinar

## Perinatal Mental Health in Northern Ireland: Navigating the Care Pathway and Specialist Team Support

Join the HSC Clinical Education Centre (CEC), alongside guest speakers, for a webinar on perinatal mental health.

The session aims to enhance understanding of perinatal mental health services in Northern Ireland by providing an overview of the regional care pathway and the role of specialist perinatal mental health teams.

## 23rd June 12.30 – 2pm
