

Mental Health (NI) Order 1986

1/2 Day Online Programme

This programme aims to increase awareness of the most relevant parts of the Mental Health (NI) Order 1986 applicable to professional practice.

It is aimed at all professionally Registered Health and Social Care Staff working in Mental Health and Learning Disability Settings.

Added considerations relevant to The Updated Code of Practice (July 2026) include:

- Rights & Dignity
- Person centred care and participation
- Inter-agency collaboration and processes.
