Lunchtime Webinar: Maternal Death Protocol

The HSC Clinical Education Centre (CEC), in collaboration with the Department of Health (DoH), invites healthcare professionals to attend a lunchtime webinar focusing on the Maternal Death Protocol. This session will provide an overview of the protocol and aims to support learning, promote consistency and enhance understanding across multidisciplinary teams involved in maternity care. Speaker details and agenda to follow.

11th August
12:00 – 1:00pm
